

Merry, Joyous happy holidays from the Datwyler's

Greetings to each of you as we pray the year has been a blessed one. It is an honor to be your hands and feet here in Ecuador. We can't tell you how many lives and families have heard and celebrated the good news of Jesus' birth, life, death and resurrection throughout this year. We have seen some leave idols to encounter true hope and change as they trust in Jesus. The challenge is real as they face criticism from family and friends as well as the society all around them. Thank you for your faith filled lives and support as we all together join Jesus in his mission.

We are living in turbulent times which is why we seek to follow closely so we don't miss a step. Thank you for your prayers which keep us strong and covered in battle. For us the line is drawn but for so many the line is blurred or being blown away. We could never survive much less thrive without each of you. Our prayer for you as you count down the final days of 2015 is for God to wrap you up in his heavenly blanket as you hear him say 'well done good and faithful servant'. We love you, thank you for blessing us as you make it possible for us to bless many each and every week of the year. God bless you!

Hisawesomegloryunfolds, Tim and Daina Datwyler
